

Going Fishing

Building Fluency: adding within 20

Materials: gameboard, pair of dice, 8 markers for each player

Number of Players: 2-3

Directions:

1. Players take turn rolling the dice.
2. Roll the dice and add the numbers. Place a colored marker on the sum. If there are no places available for that sum, the player loses their turn.
3. The winner will be the first player to get eight markers on the board.

Variation/Extension: Use playing cards and remove all face cards. Aces equal 1. Use number cards 1-10.
