1,000

Close Enough

Building Fluency: Add and subtract within 1000.

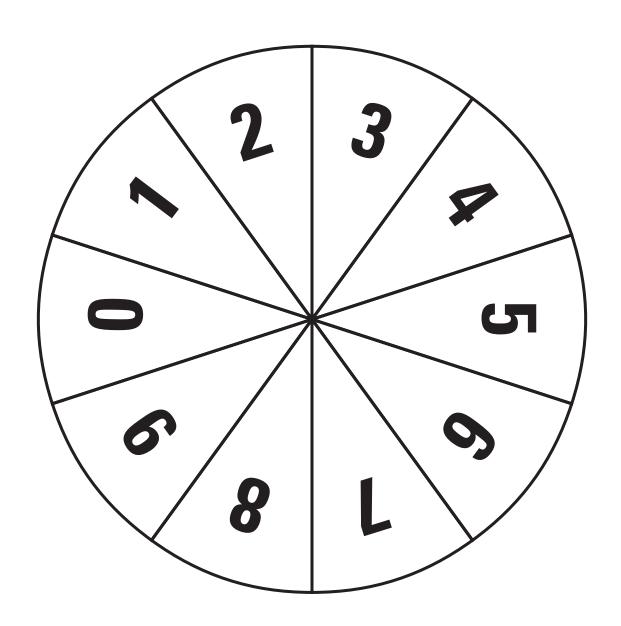

Materials: Spinner (pencil and paper clip), base ten blocks (ones, tens, and hundreds), recording sheet

Number of Players: 2-4

Directions:

- 1. A player spins and takes either that number of ones, tens, or hundreds blocks
- 2. The player records the number on their recording sheet. Example: a spin of 4 may be recorded as 4, 40, or 400.
- 3. Players take turns spinning, collecting blocks, and recording their numbers.
- 4. After six spins, the player with the total closest to 1000, but not more than 1000, wins the game.

Variation/Extension: Once students understand how to play the game, they can record their work in their math notebook students could vary the game by changing the desired final number.
