

# Whose Winning Products?

**Building Fluency:** multiply within 100

**Materials:** gameboard for each player, spinners (pencil and paper clip), 25 game markers for each player

**Number of Players:** any number

**Directions:**

1. Each player completes their gameboard with possible products.
2. Player 1 spins the spinners to find two factors.
3. Find the product and place game marker on the square on the gameboard.
4. In turn, each player spins and multiplies.
5. All players cover the product if it appears on their gameboards.
6. First player to cover 5 in any direction wins.

**Variation/Extension:** This could be played with a larger group using a document camera. Place the spinner under the document camera and let players take turns spinning and multiplying.
