

## What Is Your Dream Occupation?

1. **Cut out the data. At each table group, each participant should write his/her dream occupation to add to the data.**
2. **As a table group, decide on a question you would like to answer about occupations. Organize the data to help the question.**
3. **You may want to organize the data in different ways before deciding on a question to ask.**

<b>lawyer</b>	<b>astronaut</b>	<b>weather forecaster</b>	<b>musician</b>
<b>web designer</b>	<b>physician or surgeon</b>	<b>teacher</b>	<b>cruise director</b>
<b>clothes designer</b>	<b>professor</b>	<b>gardener</b>	<b>actor or actress</b>
<b>basket ball player</b>	<b>dancer</b>	<b>finance manager</b>	<b>wine taster</b>
<b>photographer</b>	<b>veterinarian</b>	<b>chef</b>	<b>engineer</b>
