

# Tell-An Ounce

- Take turns filling a bag with cereal so that the weight is close to 5 ounces without going over
- After each person has had a turn, weigh the bags
- Decide who was closest to five ounces

# *POUND ESTIMATION*

Record your group's name and the items you placed in your bag to make a pound.

GROUP NAME	OBJECTS THAT MAKE A POUND

# Two Pound Grab Bags

- Fill your bag with objects in the room to make two pounds
- Check using the balance
- Record the objects on your Benchmark chart and on the group recording sheet
