

Domino Target

- Name a target number
- Turn a set of dominoes face down
- Students select 4 dominoes each and turn their dominoes face up
- Move all dominoes that match the target number together
- Move all dominoes that do not match into a discard pile

Domino Target

- Students select 4 more dominoes and turn them face up
- Continue discarding and matching the target number until all dominoes have been played
- Compare different ways to make the target number
